Ashiana Anmol in Sohna, South Gurgaon, is designed with a focus on providing an exceptional environment for children. The development is inspired by the analogy of parenting as a form of gardening—where, with the right care and nurturing, children blossom into vibrant individuals. With this philosophy at its core, Ashiana Anmol has been meticulously crafted to cater to the needs of children, making it an ideal place for their growth and development. This thoughtful approach is what makes Ashiana Anmol stand out as the epitome of "Behtar Parvarish ka Pata."

The community offers a range of high-quality amenities aimed at supporting both the mental and physical development of children. These include a clubhouse, a learning hub, a swimming pool with a coach, and various sports facilities such as badminton, basketball, skating, cricket, and tennis courts. Additionally, Ashiana Anmol features a unique program called Live & Learn, which introduces children to a diverse array of activities, including music, dance, theatre, arts & crafts, spoken English, and martial arts. With a pre-planned monthly calendar and specialized coaches, Ashiana Anmol ensures that children are engaged and entertained. Currently, more than 107 families are enjoying the benefits of Ashiana Anmol Phase I. Phase II, which was launched in September 2021, is under construction and is expected to be completed by April 2026.
