

DG1 LIVING

Dubai, UAE

25.2653471, 55.2924914

DG1 Living is the first of a kind elite residential project by DarGlobal. An exclusive collection of luxurious residences with 1, 2 and 3 bedrooms is made for a new society of visionaries that lives beyond borders. Units in the project will provide stunning views of the Burj Khalifa, Downtown Dubai and the vibrant community of Business Bay.

The architecture of DG1 Living has a distinctive twisting profile that fully reflects its dynamic attitude, and the building is crafted by architects of Gensler, which is a global architecture and design firm. The space inside DG1 Living has been designed to the highest standard in order to offer a unique living experience. The expected completion date of this gorgeous project is December 2026.
