A lifetime of golden sunsets awaits you at Les Vagues by Elie Saab. Situated in Qetaifan Island North, a place of unimaginable beauty, is paradise on earth for Haute Couture living. Where opulent sea-front residences are nestled alongside luxurious beach resorts, private beaches, clubhouses, world-class boating facilities, boutique shopping experiences, a water park, and a living garden.

Qetaifan Island North shoreline is a haven of grand shores, infinite horizons and sumptuous seafront living, Les Vagues gently rises out of the sands with clean and contemporary lines, which are softened by carefully selected palms and tropical foliage. An ode to luxury island life, featuring 59 opulent sea-front residences of one, two and three-bedroom apartments with a variety of majestic balconies and terraces.

As you'd expect from an Elie Saab creation, the interiors at Les Vagues offer a spectacular grace where shapes and colors blend harmoniously. Shades of creams and grey, metals with shiny finishes, bronze, marble and noble stones, are considered with a level of exquisite craftsmanship rarely seen. One that leaves a lasting impression of refined elegance, one that could only come from the world's leading designer of Haute Couture.
